

CVC LAW has 100% passing rate

Villaraza Cruz Marcelo & Angangco (CVC LAW), announced that it once again scored a 100 percent passing rate in the bar examinations among the law graduates it recruited. Led by the third placer Oliver Baclay Jr., results of the 2008 bar examination show that the 17 CVC LAW underbars all passed the grueling annual examinations and now join the ranks of the Firm's highly skilled and multi-disciplined lawyers. For the past 29 years of its existence, CVC LAW is the only law firm in the Philippines that has maintained a 100 percent passing rate among the law graduates it recruits as underbars every year.
