CVCLAW

LAW AND ORDER

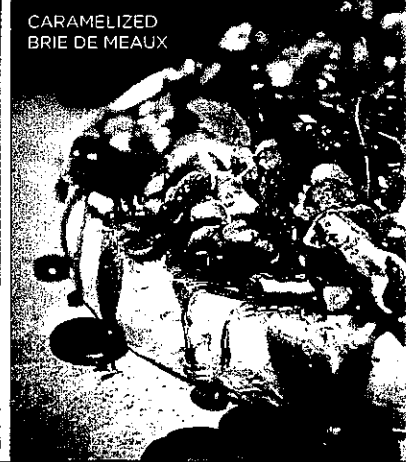

CVCLAW, ALSO KNOWN AS THE FIRM, RENEWED TIES WITH clients and business, political and diplomatic contacts with a cocktail celebration at its Rainmakers Lounge. Chairman/CEO Arthur Villaraza, Vice-Chairman Avelino Cruz, Jr., Managing Partner/COO Bienvenido Somera, Jr., hosted the by-invitation-only event. "We felt it was just fitting that with our new business address at Bonifacio Global City comes a renewed commitment to strengthen ties with clients and friends we value the most," said Villaraza. "It is because of the high level of confidence they have entrusted in us through the years that The Firm has become a formidable force in the area of legal practice." Restaurateur Gaita Fores created a cocktail spread for the occasion, which included fine cheeses; homemade taglierini aglio-olio with chistorra; roast Bacolod style *lechon* with *cerveza negra*; *jamon Serrano* with *pan tomaquet*, and a *balut* station with Sicilian Sea, Himalayan and Mindoro salts. Macmanis Estate Viognier 2006 and Greyson Merlot 2007 flowed freely throughout the night as guests and partners crooned to timeless favorites until three in the morning.
